PROBLEM STATEMENT NO. 13

FITNESS BUDDY

1. The Challenge

In today's fast-paced world, many individuals struggle to maintain a healthy lifestyle due to lack of personalized guidance, time constraints, and inconsistent motivation. Traditional fitness solutions often require expensive subscriptions, in-person consultations, or rigid schedules that don't adapt to personal preferences or daily routines.

There is a growing need for an accessible, friendly, and intelligent virtual assistant that can provide on-demand fitness advice, healthy lifestyle suggestions, and basic nutrition guidance—all tailored to individual needs and available at any time.

2. Proposed Requirements

Fitness Buddy aims to solve this problem by offering a conversational, AI-powered health and fitness coach that can:

1. **Home Workout Recommendations:** Recommend home workouts and routines based on user input.
2. **Motivational Tips:** Provide motivational tips and daily fitness inspiration.
3. **Nutritious Meal Suggestions:** Suggest simple, nutritious meal ideas.
4. **Habit Building:** Encourage habit-building and consistency.

3. Mandatory Technology

Use of **IBM Cloud Lite services / IBM Granite** is mandatory.

4. Expected Outcome

An accessible, friendly, and intelligent virtual fitness assistant that helps users maintain a healthy lifestyle through personalized workout recommendations, basic nutrition guidance, motivational support, and habit-building assistance.
